**OUTINGS and WORKSHOPS:**

**Outings:**

1. Wonga Wetlands on Oct. 22<sup>nd</sup>. Several club members attended this outing and had an enjoyable photo shoot despite a close encounter with a Red Bellied Black snake. Unfortunately, no photographic evidence of the encounter exists due to the sssssspeed of the serpent ..... or maybe due to the speed of the photographers heading in the other direction.

**Workshops:**

None organized as yet.

**Auction.**

The club auction was held last week and raised a little under \$100. Thanks to the members who were able to stay and have a bit of fun with the bidding.

The result was a bit disappointing and we would be interested in ideas to make this more successful in the future.

### **Presenters for 2005**

November – Ron Cork, visiting judge & presenter.

December – Christmas celebration. Possibly a presentation of member activities for 2005

We need presenters for 2006. If you are able to present some of your slides or prints, please let one of the committee members know so that we can slot you in to a suitable month.

### **Missing**

Somebody mistakenly collected a box of auction goodies belonging to Paul Temple after the auction last month. Contents included a number of media cardholders and other goods. Could these please be returned? Please phone on the above number or see me tonight. Thanks.

### **Christmas gathering.**

We will be having a meal together, prior to the December GM, at the Panthers bistro. Meal to start at 6pm and the GM will be delayed and start at 8pm. We will also have a slightly extended supper at the GM for those that are unable to attend the dinner.

### **Calendar**

Quantum Printing are after a pic for their 2006 calendar. The photographer will have a credit on the calendar and so will the camera club. There is no money involved in the agreement. However, they may be able to help the club out with business cards. They require a colour print relating to the local region, and it must be landscape format.

### **NEW WEB SITE – [www.waccfoto.com](http://www.waccfoto.com)**

Thanks to Kerry and Leighton Weymouth of Lan Mine, we now have a new web site with our own domain name. Kerry & Leighton have donated the fee for hosting the web site and also the first year of registration of the domain name.

Another successful show photographic comp. was held at the end of October. The venue was by all accounts much better than at past shows.

Thanks to all members who volunteered to help at the exhibition. Your contribution was invaluable.
