

## AUGUST 2009

### Club Competition Print Sizes

Print sizes for the club competitions have been a little oversized on occasions. Please note that the prints **must** fall within the size of **30cm x 40cm including the matt.**

Previously we allowed up to 12" x 16" which is actually 30.5cm x 40.5cm which presented problems with the standard sized post box. . . . . They did not fit without risking damage.

Please note that after this month's competition, print entries oversized will not be accepted.

Please also remember to have only your **comp. number and image title** on your entries.

### New Members

Please make welcome our new members Alexandra Delich, Veronica Kohne, Bernie Rosser, Alison Bodman, Faye Marks, Jacinta Fernandes and Darren Godde. We hope that your time at the club will prove enjoyable and fruitful.

### New Gear – Nikon Projector Camera

With a touch of a button, this camera projects photos or movie clips on any flat surface at up to one metre (40 inches) in size. Pictures can be projected individually or as slide shows complete with music and added effects.

The COOLPIX S1000pj will capture 12-megapixel images, use a 2.7 inch LCD and offers 5x optical zoom.

It will be available in September in black only at \$699

It is amazing what the techno people come up with!!!

### NEGV Meeting And Workshop July

The NEGV workshop and meeting was well attended with 33 people present. Jenni Horsnell's macro presentation was excellent and very popular with attendees. She is dedicated to the photography that she does and it shows in her work. There were glimpses of her skills on the computer throughout the presentation, and we are hoping to have her back for a workshop or two in Photoshop. Stay tuned for more information on that.

### Portrait Raffle

As a club fund-raiser we are raffling a portrait sitting. Tickets are available tonight, so please take a book to sell and return ASAP. This will be drawn in November.
