## November AGM time!

**Your club needs you!**

Please consider Nominating?

This is a story about four people named: Everybody, Somebody, Anybody & Nobody. There was an important job to be done. **Everybody** was certain that **somebody** would do it. **Anybody** could have done it, but **nobody** did. **Somebody** got angry about that because it was **everybody's** job. **Everybody** thought **anybody** could do it, but **nobody** realized that **everybody** would **not** do it. It ended up that **everybody** blamed **somebody** when **nobody** did what **anybody could have done!**

### The 2012 Albury Show

After a two year absence we returned to the **Albury Show**. A sub-committee headed by **Debbie Shepherd** who done a fantastic job. A big thank you to all the people who got behind and assisted Debbie on such a successful venture. Special thanks to both **Eric Boquet and Debbie** for their tremendous efforts and for putting in long hours. There were 213 entries, with 78 of them being the Junior (*School*) sections, and over the three days of the show we had just under 1000 people that viewed the exhibition (*competition*).
