Night Photography Outing

Many members attended the night photo shoot on March 21st. Some of the images will be shown tonight, and they can also be seen on the club website.

Astronomical Photography with Albury Wodonga Astronomical Society

Once again, many members attended this night at CSU Thurgoona. The presentations were very informative, but unfortunately the practical session was thwarted by smoke from fuel reduction burns!!! Hopefully the members who attended have tried the methods learnt since then.

Photographic Challenge - Keys

Photos of **Keys** for the Photographic Challenge will be shown tonight.

Staghorn Flat Restoration Project

Over the last month or so a number of our members were involved in the restoration of old photographs for the Staghorn Flat RSL WWI Honour Roll. Thanks to all those concerned.

Lavington Library Opening Project

The new Lavington library will open in July, and the WACC was asked if it would be interested in shooting pics of the Lavington suburb for an exhibition at the opening. This is a great opportunity to gain more publicity for the club, and is another great project for our 60th anniversary year.

Pics have to be submitted to Albury City by May 27th, so the time frame is fairly short. We will be receiving more detailed information soon about some specific subjects. If you are interested in taking part, place your name on the list tonight, along with contact details so that we can provide you with the info as we receive it.

Workshop - Getting Off Auto. Facilitated by the Benalla CC

Benalla CC will run this workshop on 20-21 April at Benalla 31 Primary School. Cost \$50 for WACC members. Check details via Alan Neander 0447 818 789 (AH). Tell him you are with WACC.
