Photography 175 Years

2014 is the 175th anniversary of the release of photography to the public by the French Government on August 19 1839. There will be a number of celebratory events held throughout the year. These include exhibitions, workshops and demonstrations of early photographic processes.

WACC will be involved with support from Arts Wodonga and Creators Art Space.

See Paul Temple for information.

Exhibitors wanted

You will have received an email from WACC requesting photographers to exhibit at Creators Art Space during the months of July through September.

This is the time for you to have a solo, joint or group exhibition. Get a couple of people together and frame up a few pics each and an exhibition is made. It's really as simple as that.

WACC has some great nature photographers how about an exhibition?

Creators is tentatively booked for August. Paul T will be having a solo Exhibition for two of those weeks so there is another couple of weeks that you can use. DO IT!

There may be a group exhibition also, but it would be great to see a couple of our talented photographers put a show together.

Towong Races Outing - 8th March

WACC will be having an outing to the Towong Picnic Races on 8th March. Please check the club website for further details as they are not available as we go to print.
