President's Message:

THANK YOU

To all members, committee or otherwise, who were able to contribute in some way to, what I regard as, another successful club year.... many thanks.

What a pleasure it is to receive and hear comments from new and not so new members who have enjoyed the past year in relation to the various aspects of the club both photographic and/or other activities within.

I trust members will consider the coming 12 months and, if personal commitments allow, various positions within the committee, will be filled.

The purpose of the committee is not to dictate but to co-ordinate members requirements.

Brian

Albury Show 2019 Photography Section

Firstly, thank you to those who came along to assist with setting up, manning the area while the Show was on and dismantling on Sunday. Your help was certainly appreciated.

Special thank you goes to our **Judge** who took the time to not only look at and decide the winners of each class, but to critique each and every photo. The critique was then typed up and put with the photos. We believe this gives the entrants something to think about in their photography and help them along the way, plus, realise how important it is to read the entry criteria for any competition or exhibition.

Thank you also to our sponsors, **Camera House – Foto Supplies** in Dean Street, Albury and to **Crafty Bells / Photography Accessories** for their generous contribution of prizes.
