President's Message

My message this month was to be two lines to wish one and all the Best Wishes for a very Happy Christmas however.....

last night I viewed the Victorian State Schools Spectacular.....any 2020 covid woes and personal aged aches and pains were instantly blown out the door.

The time and positive effort under such difficult challenges performed by these kids was just so inspiring let alone the work of the producers to put together such a television viewing experience was superb.

We currently live in a wonderful country.

Apologies to those who prefer the alternative.

Brian.
