President's Message

New Year Wishes to all Members. What will 2021 present us with?

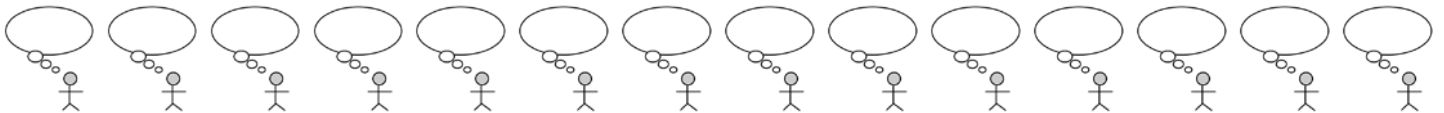

Our club's AGM [transferred over from Nov.2020]is the first of our "serious" meetings for this year.

Due to changing circumstances [not club related] it would be unwise for both me and the club to put forward myself as a nomination for the position of Club President.

I urge all members to now ask the question "Why Not Me?" before just coming up with the "No, Not Me" reply.

What now.....go back to the start of this message and read it slowly once again.

Brian.
