EDI Colour (EDI) – (Section 'B')

1	31	Country Road	12	pts	Place	
Well, executed. I would have like to see the whole tree on the right-hand side.						
2	54	Old Derelict Shed	11	pts	Place	
Interesting old shed - Image lacks sharpness – particularly in the foreground.						
3	37	My Turn	14	pts	Place	2ND Place
Well selected subject! I would have darkened the outer part of the image instead of having it over exposed.						
4	79	At the Burnouts	13	pts	Place	Merit
Great action shot! I would have cropped toe top area more down to the top of the yellow vested officials.						
5	189	COVID Campfire	15	pts	Place	1ST Place
Great image – with fantastic atmosphere!! Well Done! CONGRATULATIONS!						

EDI Monochrome (EDIM) – (Section 'B')

1	37	Experimenting	14	pts	Place	2ND Place
An interesting macro image. Good detail in the centre.						
2	79	Lone Gum	15	pts	Place	1ST Place
Excellent toned monochrome image! Well handled! CONGRATULATIONS!						
3	189	Moon over the Hume	13	pts	Place	Merit
Well-constructed image – but I would have liked it to be straightened up, and to include the full image of the moon.

EDI Colour (EDIA) – (Section 'A')						
1	129	Palm Cocky	13	pts	Place	Merit
Great detail in the feathers! WELL, DONE AND CONGRATULATIONS!						
2	194	Lone Tree	13	pts	Place	Merit
The classic "ONE TREE" composition – Well executed. I might have shifted the tree a little more off centre. WELL DONE AND CONGRATULATIONS!						
3	199	The Cockfighter	11	pts	Place	
Comments: Fantastic potential in this image! A pity you did not get the head of the bird in! I would have converted this image to monochrome, and I think it would have great impact.						
4	81	Panorama from Bettys Beach	11	pts	Place	
Well-handled landscape- seascape! You have got your foreground nicely in focus – which is a commonly overlooked factor.						
5	179	Gynea Lily	10	pts	Place	
The lack of a background detracts from the composition. T cut of plat could have been cloned out to improve the composition too.						
6	163	Bridgewater Bay	14	pts	Place	Merit
Excellent image! Great selection of exposure and cropping to emphasis the motion of the water against the stationary rocks! WELL, DONE AND CONGRATULATIONS! – THIRD PLACE!						
7	119	Outback Colour	12	pts	Place	
A high impact image – but it seems a bit oversaturated... I would have cropped off the part rock on the right-hand side						
8	195	Twenty, Twenty	14	pts	Place	2ND Place
VERY CREATIVE! WELL, EXECUTED! WELL, DONE AND CONGRATULATIONS!						
9	78	Edge of the Wetlands	11	pts	Place	
A beautiful image – well executed. Just outside the top awards!!						
10	152	New Snowgums	11	pts	Place	
A beautiful image – well executed! I would have cropped to a square format, omitting the log on the lower left-hand side – to concentrate the viewer on the foliage.						
11	198	Moon Drop	12	pts	Place	
I like the simple concept of the composition, but the pole is not vertical, and acts as a distraction.						
12	68	Looking for next meal	13	pts	Place	Merit
EXCELLENT IMAGE!! Beautifully sharp in the eye! – and great composition! WELL, DONE AND CONGRATULATIONS!						
13	61	Growing Up	15	pts	Place	1ST Place
AN ABSOLUTELY STUNNING IMAGE! VERY CREATI! WELL, COMPOSED! CONGRATULATIONS!						
14	14	Within	13	pts	Place	Merit
15	43	Pollination	13	pts	Place	Merit
A great close focussing image – and well composed. WELL, DONE AND CONGRATULATIONS!						
16	175	The Blue Mountain Girls	11	pts	Place	
A fantastic location! The image lacks a little sharpen.

EDI Monochrome (EDIMA) – (Section 'A')

1	129	Supptime	13	pts	Place	Merit
Well selected image! A tighter crop would give a little more impact too! WELL, DONE AND CONGRATULATIONS!						
2	194	Calm Before Storm	13	pts	Place	Merit
Well composed monochrome! Good perspective. WELL, DONE AND CONGRATULATIONS!						
3	199	Dusty Horse Power	13	pts	Place	Merit
Well cropped – and telling a great story! WELL, DONE AND CONGRATULATIONS!						
4	81	Taj Mahal through arch	15	pts	Place	1ST Place
A beautiful image! PERFECTLY FRAMED AND CROPPED!! CONGRATULATIONS!						
5	179	Urban Contours	11	pts	Place	
Good use of the shadow in the composition, but it needs a little more to have more impact.						
6	163	Misty Morning	14	pts	Place	2ND Place
A very moody image, with great symmetry and interest! WELL, DONE AND CONGRATULATIONS!						
7	119	Twisted	13	pts	Place	
Technically well handled, but needs a wider composition or another element to add a centre of interest for the eye!						
8	195	Mountain Hut	13	pts	Place	Merit
Excellent image! Well cropped and executed! I would have toned the image – sepia – to give the “old world” look – for the age of the hut! WELL, DONE AND CONGRATULATIONS!						
9	78	Rocky Groyne	13	pts	Place	Merit
Technically excellent! Nicely in focus in the foreground – with a good leading line from the left corner. WELL, DONE AND CONGRATULATIONS!						
10	152	Bolte Bridge	12	pts	Place	
Well selected and cropped! I think it needed a little more contrast and brightening slightly.						
11	198	Sunstroke	11	pts	Place	
The composition idea is good, but the sloping tree detracts form reality a bit too much.						
12	68	Unusual Fungi	14	pts	Place	Merit
Technically excellent, and the creative composition with the 3D effect of the shadow and frame works well! WELL, DONE AND CONGRATULATIONS!						
13	175	Blue Mountain Balustrades	11	pts	Place	
A fantastic location. I would have brightened the foreground and increased the clouds contrast to give a little more impact						
14	43	A Walk in the Park	12	pts	Place	
There is some loss of detail in the path highlights near the walker. I would also have vignettted (<i>darkened</i>) the top left and right corners to bring the eye into the walker.
