

List of Set Subjects [2017 / 2018]

March - May

NATURE [A picture of flora or fauna excluding domesticated animals, cultivated plants or flowers, or evidence of the hand of man]

May-July

ABSTRACT [Abstract art uses a visual language of shape, form, colour and line to create a composition which may exist with a degree of independence from visual references in the world]

July-September

MOOD OF THE WEATHER [A picture depicting some aspects of the weather. e.g., storm [actual or impending], rain, hail, snow, fog or wind. Normal sunny conditions or the aftermath are not acceptable]

September-November

HUMOROUS [A picture with a humorous or whimsical appeal to the viewer. It need not have been funny from the subject's point of view. The humour should lie in the picture and not merely in the title]

November-January

FLORA [A photograph of any flower, plant, tree or fungus]

January-March

PROFILE [A living subject photographed side-on]
