

Structure of Presentation for Wodonga Albury CC Workshop

23 February 2013

Session 1: Constructed Portraiture 11:00 to 12:15

- Outline of Portraiture
 - Brief history of portraiture – paint to print
- Discussion on styles of portraiture
 - Posed
 - Candid
 - Structured
 - Constructed
 - Discussion backed up with photographic examples
- Interactive: have participants develop a concept for a constructed portrait shoot and then workshop how it can be achieved.

Session 2: Off Camera Flash 13:30 to 15:30

- Outline what “off-camera flash” is (strobist)
- Discuss camera settings
- Discuss equipment (*have on hand to show and discuss*)
 - Project images to show how each use of lighting works
- Project examples of portraiture using off-camera flash
- Interactive:
 - provide attendees opportunity to use off-camera flash
 - provide opportunity for discussion – hints/tips
