NEGV September Meeting

Having heard no confirmation of a meeting for Saturday, we must presume that the meeting is not proceeding.

I believe that an unrealistic time schedule was set to prepare a meeting. This was due to other clubs having activities later in the year that prevented meetings after September.

We must look forward to a special two day workshop weekend and interclub competition next year, in March or April, and see what the new format brings.

Apologies to members who submitted work for an interclub competition that did not proceed. I can save your EDI's for next years interclub or you can resubmit at the time.
