Jottings from the Editor's desk.

Viewing the ABC documentary "Parer's War" [Sunday, April 27th] reminded me of 2004 when this club held the Damian Parer Photographic Competition gaining permission from his relatives to use his name.

Whilst the small committee was financially assisted by the local SS&A Club and the, now defunct, Destination Albury Wodonga Tourism the competition did not continue beyond the initial year.

Sadly the initial infrastructure was not strong enough to continue the proposed ongoing program.

=====

At the recent committee meeting the Competition Secretary tabled the question of extending the club competition from 2 to 3 divisions. Following a review of the implications involved it was decided not to proceed as such, however another approach is being looked at. All should be revealed at this May meeting.

=====

A big thank you must go to Louise Peacock and assistant, Helen Bishop, for the planning and associated work involved with the recent photographic road trip outing. In excess of 40 members took to the road on either of two weather perfect Sundays. If all participants enter their 10 specified prints the real challenge for Louise and Helen will be in the evaluation of the images.....Best Wishes.

Having just driven through Healesville, Yarra Junction and onto Gippsland the autumn colours this year are just so vibrant everywhere. Our club outing to Bright on Sunday [May 11th] should provide ample photographic material for future competitions.....given good weather.

=====

President, David Willis, will be representing WACC as guest speaker at the Wodonga Historical Society meeting on May 6th.

=====

Sunday, June 22nd has been set for the 2014 Paatsch Shield Photographic challenge against Benalla Camera Club. Reserve the date in your diary now.
