Commercial Club Too Expensive - Now The Boomerang Hotel Venue

The Commercial Club option proved to be excessively expensive to use as a meeting venue.....over \$100 per meeting!!!!

Tonight we try the Boomerang @ \$50 per meeting.

Any other suggestions would be welcome.

Albury Show Photo Comp 2014

Entries for this competition need to be in by 4pm on Thursday 16th October at the Show Societies Secretary's Office.

The entry form is available for download on the WACC website.

Photo Competition Judges.

At the Club's last meeting [September] some of the comments from the photo competition judge resulted in much comment from members.

The judge concerned does give his true personal evaluation which can and did take members by surprise – even offend although that is far from his intention. He states it as he sees it which exactly is what he has been requested by the club to do.

Other judges come across what they view as glaring faults in some of their evaluations but “cover up” their comments in case of offending.

Is this helpful to the image maker?

Interesting question!

Regardless of what we think or want from a judge it should always be remembered that we are asking for them to evaluate and comment on **their** views of our work.

Over the years, as a competition steward, I do not recall a judge requesting to evaluate our images. It is us doing the requesting. Perhaps we should, at times, be mindful of this before we, in turn, criticise the judge.
